CoC Application Questions	Maximum Score Available	CoC Score Received
1C-4. List each of the Public Housing Agencies (PHAs) within the CoC's geographic area. If there are more than 5 PHAs within the CoC's geographic area, list the 5 largest PHAs. For each PHA, provide the percentage of new admissions that were homeless at the time of admission between October 1, 2014 and March 31, 2015, and indicate whether the PHA has a homeless admissions preference in its Public Housing and/or Housing Choice Voucher (HCV) program. (Full credit consideration may be given for the relevant excerpt from the PHA's administrative planning document(s) clearly showing the PHA's homeless preference, e.g. Administration Plan, Admissions and Continued Occupancy Policy (ACOP), Annual Plan, or 5-Year Plan, as appropriate).	3	3

Based on the CoC's FY 2015 new and renewal project applications, what percentage of Permanent Housing (PSH and RRH), Transitional Housing (TH) and SSO (non-Coordinated Entry) projects in the CoC are low barrier? Meaning that they do not screen out potential participants based on those clients possessing a) too little or little income, b) active or history of substance use, c) criminal record, with exceptions for state mandated restrictions, and d) history of domestic violence.	6	6
4B-2. What percentage of CoC Program-funded Permanent Supportive Housing (PSH), RRH, SSO (non-Coordinated Entry) and Transitional Housing (TH) FY 2015 Projects have adopted a Housing First approach, meaning that the project quickly houses clients without preconditions or service participation requirements?	6	6
This question assessed whether a CoC used objective criteria and past performance to review and rank projects. To receive full points, CoCs would have had to use performance-based criteria to at least partially evaluate and rank projects. Examples of performance criteria include reducing the length of time people experienced homelessness and the degree to which people exited programs for permanent housing destinations. 1F-2. In the sections below, check the appropriate box(s) for each section to indicate how project applications were reviewed and ranked for the FY 2015 CoC Program Competition. (Written documentation of the CoC's publicly announced Rating and Review procedure must be attached.)	13	10
