RE: Freedom of Information Act Request
FOIA Control No.: 16-FI-HQ-01616

Dear Ms. Harris:

This letter is in response to your Freedom of Information Act (FOIA) request dated June 10, 2016. You asked for a copy of your full scores for the 2015 Continuum of Care application. Your amended request was received in the Department's FOIA Branch on June 15, 2016.

Your request is denied in full. The information you have requested is being withheld pursuant to FOIA Exemption 5. Exemption 5 protects documents that are interagency or intra-agency, which would not be available by law to a party other than an agency in litigation with the Department. The release of this internal information would reflect HUD's predecisional, deliberative process and would discourage open and candid advice, recommendations, and exchange of views within the Department, which could bring about public scrutiny of the individuals and the need to justify in public their tentative opinions.

I am the official responsible for this determination based on information provided by the Department's Office of Community Planning and Development. You may appeal this determination within 90 days from the date of this letter. If you decide to appeal, your appeal should include copies of your original request and this response, as well as a discussion of the reasons supporting the appeal. The envelope should be plainly marked to indicate that it contains a FOIA appeal and addressed to:

For your information, your FOIA request, including your identity and any information made available, is releasable to the public under subsequent FOIA requests. In responding to these requests, the Department does not release personal information, such as home address, telephone number, or Social Security number, all of which are protected from disclosure under FOIA Exemption 6.
